Nursing Home Evaluation Checklist

Visit up to 5 nursing homes, write the facility name above each column, and rate each item from **1** (low / bad) to **10** (high / great). Add scores to determine ranking.

Convenience of location				
Availability of parking				
Quality of surrounding neighborhood				
Lighting in rooms and common areas				
Cleanliness of the facility				
Temperature in the facility				
Order of the facility				
Staff treatment of guests				
Staff treatment of residents				
Availability of resident storage space				
Phone / TV / Radio allowed in rooms				
Availability of outdoor activities / field trips				
Transportation available for residents				
Residents well attended to				
Mood in facility: Frantic (1) - Calm (10)				
Total Scores				

**** If the answer to any of the following 3 questions is "no", then that Nursing Home may not work for you regardless of how high it scores.**

- 1. Does this facility provide the level of care needed (specialized services)?**
- 2. Does this facility have a Medicaid bed available?**
- 3. Does this facility accept Medicaid Pending Payment arrangements?**
