RE: Appointments & Document Signings during the Coronavirus/CoVid-19 Incident

Beginning now and continuing until the end of our current emergency we will not schedule any document signings at our office. Documents to be signed will be sent by mail or email with detailed instructions and a return envelope if necessary. If the corona virus restrictions are lifted before the documents are signed, call our office, and we will schedule a convenient time to sign, witness, and notarize in our office. Our office building has been closed to the public, and we will not schedule any personal appointments while the current restrictions are in effect. We will be available for phone consultations from 9:00 a.m.-5:00 p.m., Monday through Friday. To schedule a consultation, please call (361) 985-2226. We have been helping people for over 40 years, and we will do our best to help you during this difficult time.

Best Regards & Stay Healthy,

Brenda & Ed Baker
